ARTICLE 1 PREAMBLE

Section 1.1 This agreement is hereby entered into between the City of Oberlin, hereinafter referred to as the "City" and the International Brotherhood of Electrical Workers, Local #39 hereinafter referred to as the "Union."

ARTICLE 2 PURPOSE

Section 2.1 The City and the Union hereby enter into this Agreement reached through the process of collective bargaining for the following purposes: 1) To recognize the legitimate interests of the employees of the City; 2) To determine the wages, hours, and terms and working conditions of those employees; 3) To promote harmonious, cooperative relations; 4) To promote efficient, effective service to the citizens of Oberlin; 5) To avoid interruption or interference with the efficient operation of the City's business; and 6) To provide a procedure for the fair and equitable adjustment of grievances that arise as a result of the misinterpretation or misapplication of the express provisions of this Agreement.

ARTICLE 3 RECOGNITION

Section 3.1. The City recognizes the IBEW as the sole and exclusive representative for the purpose of negotiating wages, hours, terms and other conditions of employment for the employees of the City in the bargaining unit. Wherever used in this Agreement "bargaining unit" shall be deemed to include those individuals employed as full-time and regular permanent part-time by the City in the classifications as set forth in Section 3.2 below.

Section 3.2 Classifications include IBEW Local Union 39 public employees of the City of Oberlin in the following classifications: Lead Operator, Plant Operator, Plant Operator B, Crew Leader, Lead Operator Distribution, Distribution Operator, Distribution Operator B, Service Maintenance Worker, Lead Vehicle Maintenance Mechanic, Mechanic, Collections Operator, Collection Operator B, Lab Technician, Acting Lab Technician, Operator/Assistant Lab Technician, Acting Assistant Lab Technician, Construction Technician, Field Maintenance Specialist, Operator/Mechanic, Lead Operator/Mechanic, Journeyman Lineman, Line Crew Leader, Lineman B, Electric Technician I, Electric Technician II, and Inventory Purchasing Specialist

Classifications excluded: management, confidential, professional, fiduciary, supervisory, casual, and seasonal employees.

Section 3.3. In the event of a change of duties of a position within the bargaining unit resulting in reclassification of a position as determined by the City or in the event that the City establishes a new position, the City will notify the union of such changes prior to implementation and the City reserves the right to determine whether the new or changed position will be included in or excluded from the bargaining unit. If the union disputes the City's determination of the bargaining unit status, the parties will meet to attempt to resolve their disagreement. If the parties are unable to agree on the bargaining unit status of the position, the issue shall be subject to appeal by the Union through the Grievance Procedure as contained in Article 11 (Grievance Procedure).

Section 3.4. Substantial changes in the methods of operation, tools, and/or equipment of a shop shall be the prerogative of the City. The establishment of the rate of pay for such job(s) and the placing of such job(s) in an existing classification shall likewise be the prerogative of the Employer. If the Union disagrees with the rate of pay established for such job(s), a grievance may be filed in accordance with the provisions of the grievance procedure contained herein. The arbitrator shall have the authority to establish the rate of pay for the position within the parameters of the rates as proposed by the City and

requested by the Union. Any award of the arbitrator may be retroactive to the date the grievance was filed by the Union.

Section 3.5. Any rate and classification mutually agreed to by the City and the Union, or decided by an arbitrator, shall become part of the wage rates contained herein.

ARTICLE 4 DUES DEDUCTION

Section 4.1. The City agrees to deduct the Union membership dues, fees and assessments in accordance with this Article for all employees eligible for membership in the bargaining unit after thirty (30) days of employment with the City.

Section 4.2. The City agrees to deduct regular Union membership dues or fair share fees from the first two (2) pay periods in each month of any employee in the bargaining unit eligible for membership upon receiving written authorization individually by the employee. A payroll deduction form signed by the member must be presented to the City by the employee or the Union. Upon receipt of the proper authorization, the City will deduct Union dues from the payroll check for the next pay period in which dues are normally deducted following the pay period in which authorization was received by the City. For the duration of this agreement, each non-probationary bargaining unit employee who is not a member of the Union shall be required as a condition of employment to pay to the Union a Fair Share Fee not to exceed the amount of the dues. The payment of Fair Share Fees shall not necessitate the signing of an authorization card and such deduction shall be automatic. Fair Share Fee deduction shall commence within one (1) month of the execution of this Agreement and one (1) month following the completion of an individual employee's probationary period. Fair Share Fees shall be deducted and remitted during the same period as dues, provided the Employee has received sufficient wages during the applicable pay period equal to the deduction. Effective upon the signing of this agreement, the Union shall certify to the City the amount of the Fair Share Fee to be paid by the non-member employees within the bargaining unit. The Union shall submit any changes in the amount of the Fair Share Fee to the City at least one (1) month in advance of any change. The amount of a Fair Share Fee shall be determined by the Union, but shall not exceed the total of any dues, fees, or assessments which may be charged to Union members and may not exceed that amount which is allowable by law.

Disputes regarding the payment of Fair Share Fee shall be resolved pursuant to Chapter 4117 O.R.C.

IBEW Local 39 Union dues and Fair Share Fees will be mailed to the Local Union Office, following the first two bi-weekly pay dates of each month.

Section 4.3. The parties agree that the City assumes no obligation, financial or otherwise, arising out of the provisions of this Article regarding the deduction of membership dues, fees or assessments. The Union hereby agrees that it will indemnify and hold the City harmless from any claims, actions or proceedings by any employee arising from the deductions made by the City pursuant to this Article. Once the funds are remitted to the Union, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Union.

Section 4.4. The City shall be relieved from making such individual "check-off" deductions upon an employee's: (1) termination of employment; (2) transfer to a job other than one covered by the bargaining unit; (3) layoff from work for more than thirty (30) days; (4) an unpaid leave of absence (for more than thirty (30) days; or (5) revocation of the check-off authorization. Said revocation must be submitted to the City in writing during the first full week in January of any year.

Section 4.5. The City shall not be obligated to make dues deductions from any employee who, during any dues months involved, shall have failed to receive sufficient wages to make all legally required deductions in addition to the deduction of Union dues.

Section 4.6. The parties agree that neither the employees nor the Union shall have a claim against the City for errors in the processing of deductions, unless a claim of error is made to the City in writing within thirty (30) days after the date such an error is claimed to have occurred. If it is found that an error was made, it will be corrected at the next pay period that the Union dues deduction would normally be made by deducting the proper amount.

Section 4.7. Deductions provided for in this Article are subject to the approval of the City Auditor or designee and shall be made from the first two (2) pay periods in each month. In the event a deduction is not made by any Union member during any particular month, the City, upon written verification from the Union will make the appropriate deduction from the following pay period if the deduction does not exceed the total of two (2) months regular dues. The City will not deduct more than two (2) months regular dues from the pay of any Union member.

Section 4.8. The rate at which the dues are to be deducted shall be certified to the City Auditor by the Financial Secretary of the Union during January of each year. One (1) month advance notice must be given the payroll clerk prior to making changes in an individual's dues deductions.

ARTICLE 5 MAINTENANCE OF MEMBERSHIP

Section 5.1. All employees who, upon ratification of this Agreement, are members of the Union as evidenced by signed membership documents submitted to the City, or who thereafter become members of the Union, either (1) shall maintain their membership in the Union, or (2) shall, if they resign from membership, pay to the Union a fair share fee in an amount equivalent to the annual dues for membership in the Union in accordance with ORC 4117.09. However, an employee may revoke the authorization to pay the membership dues to the Union during the first full week in January of each year.

Section 5.2. In the event that fair share fee is to be charged to a member of the bargaining unit, the City shall deduct such fee in the same manner as dues are deducted as specified in Article 4 of this agreement, entitled "Dues Deduction."

ARTICLE 7 NON-DISCRIMINATION

Section 7.1. Neither the City nor the Union shall discriminate against any bargaining unit employee on the basis of age, sex, race, color, creed, national origin, or disability. The Union shall share equally with the City the responsibility for applying this Article to the Agreement.

ARTICLE 9 UNION REPRESENTATION/UNION VISITATION

Section 9.1. The City will recognize one (1) employee from each of the following areas (Water, Electric, Wastewater, and GMD\Community Services) selected by the Union to act as stewards for the purpose of processing grievances in his area and attending meetings as required by the City in accordance with the provisions of this Agreement. The Union may designate one (1) alternate steward to act in the absence of the area steward. No employee shall be recognized by the City as an area steward or alternate area steward unless the Union has presented the City with written certification of that person's selection.

ARTICLE 11 GRIEVANCE PROCEDURE

Section 11.1. The term "grievance" shall mean an allegation by a bargaining unit employee or the City that there has been a breach, misrepresentation, or improper application of this Agreement. It is not intended that the grievance procedure be used to effect changes in the Articles of this Agreement nor those matters not covered by the Agreement.

Section 11.2 If specific administrative agency relief of judicial or quasi-judicial nature is provided for

by the ordinances of the City of Oberlin, statutes of the State of Ohio or the United States for review or redress of specific matters (such as Worker's Compensation, Unemployment Compensation, etc), such matters may not be the subject of a grievance or processed as such. It is expressly agreed that all matters within the jurisdiction of the Oberlin Civil Service Commission, excluding specific provisions as contained in the Agreement, shall remain so and shall not be subject to a grievance within the meaning of this Article. All grievances must be processed at the proper step in order to be considered at subsequent steps and the following procedure will be observed.

Step 1. - An employee who has a grievance or the area steward must submit it in writing to the Department head within ten (10) calendar days after the occurrence of the events upon which his grievance is based. The grievance shall include the name and position of the grievant, the provision(s) of the Agreement involved in the grievance; the time and place where the alleged events or conditions giving rise to the grievance took place, the identity of the party responsible for causing the said grievance; and a general statement of the nature of the grievance and the redress sought by the grievant. The grievance shall be signed and dated by the grievant and/or the area steward. The Department Head or his designee shall give his answer within seven (7) calendar days after receipt of the grievance to the grievant and the Union.

Step 2. If the grievance is not satisfactorily settled with the written decision at the conclusion of Step 1, a written appeal of the decision may be filed by the Business Manager, Local Unit Chairperson, or his designee within five (5) calendar days from the date of the rendering of the decision at Step 1. Copies of the written decisions shall be submitted with the appeal. The City Manager or his designee shall meet with grievant and/or the Business Manager or his designee and the area Steward if needed, within twenty (20) calendar days after the receipt of the appeal. The City Manager or his designee shall issue a written decision to the employee and the Union within fifteen (15) calendar days from the date of the meeting.

Step 3. In the event a grievance is unresolved after Step 2, then within twenty (20) calendar days after the rendering of the decision at Step 2, the Union may submit the grievance to arbitration. Within this twenty (20) day calendar period the parties will meet to attempt to mutually agree upon an arbitrator. If such agreement is not reached, the parties will promptly request the Federal Mediation and Conciliation Service to submit a panel of arbitrators and will choose one (1) by the alternative strike method.

The arbitrator shall have no power or authority to add to, subtract from, or in any manner, alter the specific terms of this Agreement or to make any award requiring the commission of any act prohibited by law or to make any award that itself is contrary to law or violates any of the terms and conditions of this Agreement.

The hearing or hearings shall be conducted pursuant to the "Rules of Voluntary Arbitration" of the American Arbitration Association.

The fees and expenses of the arbitrator and the cost of the hearing room, if any, shall be borne by the losing party. All other expenses shall be borne by the party incurring them. Neither party shall be responsible for any of the expenses incurred by the other party.

Employees who are reasonably necessary for the resolution of the grievance shall attend the arbitration hearing without the necessity of subpoena and shall be compensated at their regular hourly rate for all hours during which attendance is required by the City. Any request made by either party for the attendance of witnesses shall be made in good faith, and shall not adversely affect the operations of the department.

The arbitrator's decision and award will be in writing and delivered within thirty (30) days from the date the record is closed. The decision of the arbitrator shall be final and binding upon the parties.

Section 11.3. The time limits set forth in the Grievance Procedure shall, unless extended by mutual written agreement of the City and the Union, be binding, and any grievances not timely presented, or timely processed thereafter, shall not be considered a grievance under this Agreement. Any grievance not timely processed by the City at any of the preceding steps may be immediately referred by the Union to the next level.

Section 11.4. Calendar days as provided within the Grievance Procedure shall not include Saturdays, Sundays, or Holidays.

Section 11.5. It is understood that any disciplinary action resulting in suspension and/or discharge shall be subject to the grievance procedure.

ARTICLE 12 PROBATIONARY PERIODS

Section 13.1. Seniority shall be determined by the length of full-time service with the City of Oberlin since the most recent date of hire and upon satisfactory completion of the probationary period as defined in Article 12.

Section 13.2. In the event of a lay-off, members of the bargaining unit will be laid off in accordance with their seniority, unless in the City's judgment an employee's skill(s) are deemed necessary to the effective operations of the City. In the event of a lay-off the City will give at least a fourteen (14) calendar day notice by certified mail to the Union.

Section 13.3. A member of the bargaining unit who is laid off shall be subject to recall from layoff for a period of two (2) years provided that he maintains his current address and telephone number with the City. A recall from layoff will be in accordance with seniority and ability to perform the requisite duties as determined by the City.

Section 13.4. Employees failing to respond to a recall from layoff within ten (10) calendar days of the date the City sent such recall notice to the employee's last known address as described in Section 13.3 above, shall be deemed to have quit without notice.

Section 13.5. Continuous service and seniority shall be terminated when an employee:

Section 14.1. The normal work week for regular full-time employees shall be forty (40) hours of work during a seven (7) day period starting at approximately 12:00 AM Saturday to approximately midnight Friday, exclusive of time allotted for meals and reasonable work breaks except where different hours are necessary to meet operational needs. This shall not be construed as a guarantee of hours of work per day or per week, and the City reserves the right, as operational needs and conditions require, to establish and change hours of work and/or schedules of hours.

Section 14.2. Employees required to work four (4) or more hours of overtime beyond their regularly scheduled hours of work shall be entitled to a meal allowance not to exceed twelve dollars (\$12) and a meal break within the first two (2) hours barring operational emergency.

Section 14.3 The Employer will post departmental work schedules (i.e. weekly, monthly, etc.) not later than the last day of the work period for the following work period(s). Dependent on operational requirements posted work schedules may be changed at any time at management's discretion.

Section 14.4 Employees shall be entitled to a fifteen (15) minute break during the first half of the work day and a second fifteen (15) minute break the second half of the work day. Breaks shall be scheduled by management and may be rescheduled by management when necessary to meet operational requirements.

ARTICLE 15 OVERTIME

Section 15.1. Employees will be paid time and one-half (1-1/2) their straight-time rate of pay for hours worked in excess of forty (40) in any one (1) work week provided, however, there shall be no pyramiding of overtime or other premium pay. For purposes of this Section, hours paid for vacation, personal time, jury time and holidays shall be considered as time actually worked. All other hours paid but not worked shall be excluded from the computation of overtime.

Section 15.2. Overtime opportunities shall be offered fairly to employees within the division who are qualified to perform the work.

The employee chosen, in the sole judgment of the City, must be able to perform the job on a forthwith basis or possess the requisite skills and aptitudes to do so. Section 17.3. The parties agree that should any provision of this Agreement be found to be invalid, upon written request by either party, they will schedule a meeting within thirty (30) days at a mutually agreeable place and time to negotiate alternative language on the same subject matter.

The City and the Union acknowledge that during negotiations which preceded this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining/negotiations and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

Section 18.2. Therefore, for the life of this Agreement, the City and The Union each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to negotiate

LETTER OF UNDERSTANDING – ATTACHMENT E

RE: Earned Rest Provision

During the 2008 negotiations, the parties discussed and agreed that the intent of this earned rest provision is to provide a safe work environment by assuring that employees called upon to work excessive hours due to unforeseen circumstances shall have sufficient time to recuperate prior to returning to work.

In consideration of this fact, the following shall apply:

1. When an employee works sixteen (16) hours or more within a twenty-four (24) hour period, the employee shall be entitled to take eight (8) hours of earned rest before returning to work. If any of the eight (8) hours of earned rest coincides with the employee's next regularly scheduled shift, the employee shall be compensated for those hours and/or fraction of hours up to a maximum of eight (8) hours at the employee's base hourly rate.
2. Employees who work more than eight (8) hours but less than sixteen (16) hours during a 24-hour period, depending on when those hours are worked during this 24-hour period, may also require time to recuperate before returning to their regular schedule. Under these circumstances employees may request consideration for such rest time as sick leave, personal leave or vacation time as may be agreed by the employee and management. Such request will not be unreasonably denied. If sick leave is used, those hours shall be counted as hours worked toward overtime computation.
