The CITY agrees not to assert as a defense to its indemnification obligations hereunder any immunity to which it may be entitled under Section 35, Article II of the Ohio Constitution or Sections 4123.74 and 4123.741 of the Ohio Revised Code. This indemnity obligation of CITY shall not be applicable to the extent QCI is provided coverage under the insurance policy set forth in "e" below, or to the extent that this indemnity obligation is prohibited or limited by the laws of the State of Ohio.
- b.) In connection with the indemnification to be provided by the CITY hereunder, the CITY shall have the right to designate the attorney to represent QCI, and such attorney may be the Solicitor or Law Director of the CITY.
- c.) In the event the CITY shall incur expenses on behalf of QCI hereunder in connection with a claim or matter as to which QCI shall be adjudged to be liable for negligence or intentional misconduct or violation of civil rights, as provided above, QCI shall reimburse the CITY for such expenses reasonably incurred by it.
- d.) With respect to any claim or matter as to which the CITY shall undertake to indemnify QCI, no amount shall be paid in settlement thereof unless the CITY has approved such payment.
- e.) QCI shall at all times maintain in force and effect professional liability insurance with a limit of liability of not less than \$1,000,000.00 and in a form generally the same as its current coverage provided by National Union Fire Company of Pittsburgh, PA.
- f.) In the event the CITY indemnifies QCI hereunder in connection with a claim or matter as to which QCI's insurance carrier has denied coverage under QCI's insurance policy, QCI shall, upon request of the CITY, assign to the CITY all of its rights against the insurance carrier arising by reason of such denial.
- g.) As used in this Section, the term "QCI" shall include: employees; agents and sub-consultants of QCI in connection with the performance of services hereunder.

- h.) Notwithstanding any of the foregoing provisions of this Section, this Section shall not apply to any claims that may be asserted by the CITY against QCI in connection with his performance of services for the CITY.

ARTICLE V - NON-SOLICITATION OF QCI EMPLOYEES

1. Solicitation of QCI Employees.
 - a.) Information About QCI Employees. CITY may work closely with employees of QCI performing services under this Agreement. All information about such employees which becomes known to CITY during the course of this Agreement and which is not otherwise known to the public, including compensation or commission structure, is a Trade Secret of QCI and shall not be used by CITY in soliciting employees of QCI at any time. CITY agrees to protect the confidentiality of such information, to the extent that these terms are permitted under public records law.
 - b.) Solicitation of Employees Prohibited. During the term QCI is performing services for CITY and from one (1) year following the cessation of such services, CITY shall not directly or indirectly ask or encourage any employee(s) or former employee(s) of QCI to leave their employment with QCI, solicit any employee(s) of QCI or former employee(s) for employment, make any offer(s) of employment to any employee(s) or former employee(s) of QCI or employ any employee(s) or former employee(s) of QCI.
 - c.) Injunctive Relief. CITY agrees and acknowledges that the violation of any of the provisions contained herein would cause irreparable injury to QCI, that the remedy of law for any violation or threatened violation thereof would be inadequate, and that QCI shall be entitled to temporary or permanent injunctive or other equitable relief without the necessity to prove actual damages. In any proceeding by QCI to enforce any of the provision of this Agreement, the prevailing party shall be entitled to reimbursement of all costs and reasonable attorney's fees incurred in such litigation.
 - d.) Liquidated Damages. CITY agrees and acknowledges that the actual damages, which would result by any breach by it of this Agreement, are uncertain and would be extremely difficult to ascertain. CITY therefore agrees to pay QCI a sum equal to twenty-five percent (25%) of the annual compensation previously paid by QCI to any employee(s) of QCI that leaves, as a result of CITY's breach of this Agreement, and any damages over and above this amount to which QCI may be entitled by law.

ARTICLE VI - COPYRIGHTS

CITY acknowledges and agrees that QCI has certain licensing rights to Build A Form® Engineer Report System ("System") that will be utilized by QCI under this Agreement. QCI has proprietary rights in said System, which shall remain the sole property of QCI, and nothing herein shall be deemed to create any rights in CITY in violation of the rights or interest of QCI or any third party. CITY acknowledges that the remedy at law for any breach of this section will be inadequate and, accordingly, in the event of any breach or threatened breach by CITY of this section. QCI shall be entitled, in addition to any other remedies, to any injunction restraining any such breach, without bond or other security being required.

ARTICLE VII - GENERAL

1. Heading. The headings to the Articles and Sections of the Agreement are inserted for convenience only and will not be deemed a part of this Agreement for purposes of interpreting or applying the provisions of this Agreement.
2. Governing Law. This Agreement will be governed in all respects by the laws of the State of Ohio.
3. Severability. If any provision or paragraph of this Agreement shall be prohibited by law or held to be invalid, such provision or paragraph shall be separable from this agreement without invalidating the remaining provisions or paragraphs hereof.
4. Amendments. During the term of this Agreement, CITY and QCI may amend this Agreement provided; however, any such amendment must be in writing and signed by both CITY and QCI.
5. Force Majeure. Neither party shall be liable for its failure to perform hereunder due to any contingency beyond its reasonable control, including acts of God or the public enemy, fire, explosion, accident, flood, drought, embargoes, war, riot, sabotage, action of any kind of governmental authority, whether valid or invalid, strikes, lockouts, labor disputes or shortages or any contingency, delay, failure or cause beyond the parties reasonable control, whether or not of the kind specified herein.
6. Waiver. The waiver by either party of any breach or violation of any provision of this Agreement shall be effective only if given in writing and signed by the waiving party. Any waiver of one breach or violation shall not operate or be construed as a waiver of any subsequent breach or violation.
7. Entire Agreement. This instrument, including the appendices, exhibits, and attachments hereto, constitutes the entire Agreement between the parties covering the subject matter and supersedes all previous agreements and all proposals and negotiations not expressly set forth herein. No modifications or amendments shall be valid unless in writing and signed by both parties. Where conflicts may arise between this Agreement and the proposal of QCI, this Agreement shall prevail.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on the day and year first above mentioned.
