**WITNESSETH:**

WHEREAS, each of the aforementioned parties have either their own or contractual fire fighting capabilities and are political subdivisions within Lorain County; and

WHEREAS, each of the political subdivisions have submitted a signed Cost Recovery Ordinance/Resolution in accordance to section 3745.13 of the Ohio Revised Code and 40 C.F.R. 300 of the Federal Registrar; and

WHEREAS, each of the political jurisdictions have existing mutual aid agreements between fire departments for the purpose of providing assistance during times of emergency including threats to life and/or property, and

WHEREAS, each of the political subdivisions shall ensure that their personnel meet and maintain required hazardous materials training in accordance with the Lorain County Technical Rescue Advisory Board, the Lorain County Hazardous Materials Emergency Response Plan, the Lorain County Office of Emergency Management and Homeland Security (LCOEM&HS), the Lorain County Local Emergency Planning Committee (LCLEPC), the State Emergency Response Commission, or any other governmental agency or regulation; and

WHEREAS, the political subdivisions deem it to be in their best interest to contract with Lorain County for Technical Rescue Response support; and

WHEREAS, the incident commander representing each political subdivision will maintain direction and control of the incident site and will coordinate with any and all assisting agencies; and

NOW, THEREFORE, in consideration of the promises and agreements herein contained, and not rescinding any fire and emergency protection mutual aid agreements which may exist between any of the parties hereto, except those agreements for cost recovery not prescribed under 40 C.F.R. 300, IT IS NOW AGREED, between the parties as follows:

ADMINISTRATION

1. The Lorain County Technical Rescue Advisory Board, hereinafter referred to as the "Advisory Board", shall administer the operations of the Lorain County Technical Rescue Response Team, hereinafter referred to as the "Team". The Team, consisting of the hazardous materials and technical rescue units, shall be organized and equipped to respond to incidents within Lorain County based upon current recognized common procedures, including but not limited to hazardous materials emergencies, confined space rescue, trench collapse rescue, rope rescue, high angle rescue, wide area search, and structural collapse rescue.

MONETARY FEES:

2. For the purposes of affording and maintaining the additional protection to mitigate and respond to technical rescue incidents within a jurisdiction during 2012, each jurisdiction shall pay a set fee of \$0.25 per person (jurisdiction 2010 U.S. Census population X \$0.25 per person) to the Advisory Board through the Lorain County Local Emergency Planning Committee, for the sole purpose of funding the necessary activities and expenses of the Team. For the remaining years of this agreement (2013 – 2016), the jurisdictional fee shall increase by \$0.01 per person based upon the jurisdiction 2010 U.S. Census population. (2013 - \$0.26, 2014 - \$0.27, 2015 - \$0.28, 2016 - \$0.29).
3. The political subdivision of (listed above) agrees to pay the Advisory Board through the Lorain County Local Emergency Planning Committee the annual sum listed on the invoice for the operation of the Technical Rescue Teams. The annual contractual sum shall be received at the Lorain County Office of Emergency Management and Homeland Security on or before 4:30PM, April 10<sup>th</sup> of each contract year as per the aforementioned cost analysis. Failure to pay the contractual fee on or before 4:30PM, April 10<sup>th</sup> of each year shall result in a late charge of thirty (30%) percent of the jurisdiction's annual contractual amount or \$500, whichever is greater.
4. If any political subdivision elects not to participate in this contractual agreement, they shall be responsible for the full cost of all personnel, equipment, supplies, and any related incidentals used at any incident within such jurisdiction in which the Team is requested to respond, to be calculated on the same basis as hazardous materials cost recovery.

MUTUAL AID/LIABILITY/FAILURE OR INABILITY TO RESPOND:

5. The Team shall provide mutual aid capabilities within the scope of the State Emergency Response Plan, upon request, should the need arise. At no time shall the Chief or Officer-In-Charge be required to respond to a mutual aid request if it is determined that said assistance will cause the jurisdiction to be unable to provide for its own protection.
6. In no case shall the party hereto called upon or rendering such services be liable for damages to any other party hereto or any of its residents, or contractual obligators, for failure to answer any call, or for lack of speed in answering any such call, or for any inadequacy of equipment, negligent operation of equipment, failure to mitigate said situation or for any cause whatsoever growing out of such use of said equipment and/or personnel.
7. The LCOEM&HS Director is hereby authorized to act as the contact person for activation of the Team to respond to any request initiated through the State Emergency Response Plan (SERP), Intrastate Mutual Aid Compact (IMAC), and/or Emergency Management Assistance Compact (EMAC). Participation in emergency response of any team member out of the State of Ohio is subject to approval by their individual employer.

**OPERATIONAL COST RECOVERY - HAZMAT AND TECHNICAL RESCUE/UNKNOWN SPILLER FUND:**

- 8. The LCOEM&HS and LCLEPC will assist the political jurisdiction(s) where the hazardous materials incident took place in cost recovery from the spiller or transporter as prescribed in section 3745.13 of the Ohio Revised Code (ORC). In the event of a technical rescue response, the LCOEM&HS will attempt to identify any means available for response cost reimbursement. This may include state and/or federal disaster relief funds.

The Advisory Board shall maintain a HazMat Unknown Spiller Fund to help reduce a jurisdiction's financial burden for expended hazardous materials emergency response/abatement equipment in case of a HazMat incident where the spiller is unknown. Only those jurisdictions that are part of this contract are eligible for fund usage. The maximum amount that a jurisdiction may request from this fund would be \$2,000 per incident per calendar year. A written request for funds shall be submitted to the Advisory Board within sixty (60) days of the incident, with an explanation of the incident and a detailed cost list.

**AUTHORITY OF EXPENDITURES AND FUND USAGE:**

- 9. All contract monies collected shall be used exclusively by, and all expenditures and allocations of the contract funds shall be at the direction and discretion of the Advisory Board for the purpose of enhancing technical rescue response capabilities at the county level and maintenance of the HazMat Unknown Spiller Fund. Contractual monies shall be directly disbursed for the operation of the Team(s), with the exceptions noted below.
- 10. The Advisory Board shall maintain a balance of \$15,000 in the HazMat Unknown Spiller Fund. Should the balance be reduced by authorized payments, the Advisory Board shall replenish the fund at a rate not to exceed 10% of the total yearly contractual fee per year until the fund reaches its maximum balance.
- 11. The Advisory Board shall maintain a Vehicle/Equipment Replacement Fund to help reduce the financial burden for expended emergency response/abatement equipment in case of an emergency incident where the cost recovery is not feasible, and/or repair or replacement of any vehicle operated by the board. The fund will maintain a maximum balance of \$150,000. Should the balance be reduced by board authorized payments, the Advisory Board shall replenish the fund at a minimum rate of 10% or more a year.
- 12. Ten (10) percent of the yearly contractual funds received will be allotted to the EMA 15% Account administered by the LCLEPC.

**TEAM MEMBER REQUIREMENTS/TECHNICIAN REQUIREMENT FORMULA:**

- 13. HAZMAT TEAM: Each contract participant shall provide personnel trained to the Technician Level for the Team based on the following schedule:

<b>Contract Assessment Amount (Exclusive of any penalties)</b>	<b>Minimum Technician Level Responders required**</b>
\$1,999.00 or less	1
Over \$2,000	2

\*\*Maximum number of required HazMat Technicians for any jurisdiction shall be not more than two (2).

Fire Departments serving multiple political subdivisions will only be required to supply team members based upon their home jurisdiction contractual amount, not the total contractual amount for all jurisdictions served. If a department wishes to add additional personnel above the number required technicians, this action is voluntary and all costs associated with those persons shall be the obligation of the home department.

14. The Advisory Board has the authority and responsibility to ensure that all jurisdictions served by the Team maintain their required amount of trained technicians. Should a contract participant fall below the required trained Technician Level Responders at any time during the contractual period, the noncompliant jurisdiction Fire Chief shall notify the Board in writing, via certified mail. The noncompliant jurisdiction Fire Chief shall present a written plan within thirty (30) calendar days of receipt of the notification explaining how the deficiency will be filled, for acceptance by the Advisory Board. Failure to notify the Board and/or submit a written plan within the 30-day time frame to replace the deficient number of HazMat technicians shall result in following:

- A penalty of 30% of the contractual amount or \$500 (whichever is greater) shall be issued for failure to comply with the required number of hazardous material technicians.

Failure to pay the penalty and provide the written plan within thirty (30) days of issuance of a penalty shall be a default of this Agreement. The Advisory Board may declare the contract participant to be in default and proceed with termination of the Agreement with that participant in accordance with Sections 23-27 of this Agreement, Termination for Default. A noncompliant jurisdiction which receives notice of a penalty remains obligated to fulfill its obligations in accordance with the Lorain County Standard Operating Procedures, and all other terms of this contract until termination is declared by the advisory Board.

15. TECHNICAL RESCUE TEAM MAKE-UP: Each contract participant shall not be under any obligation to provide technical rescue personnel for the Technical Rescue Team aspect of the team. The maximum total technical team compliment shall be fifty (50) members, with no more than six (6) persons from any one department being on the tech team.

TEAM MEMBER TRAINING/HAZMAT:

16. It is the responsibility of the local jurisdiction to ensure that their team members attend ALL scheduled training sessions. Training sessions for all HAZMAT members shall be scheduled at the direction of the Advisory Board. Salaries or any other reimbursement received to attend any training session shall be the responsibility of the jurisdiction. All Team members shall be required to attend 50% of the scheduled training during a calendar year. If the team members has a work commitment at his/her department and is unable to attend training, that member shall be required to submit a written explanation signed by their Chief as to why they can not attend. The written documentation can be sent via USPS (regular mail) or fax to the LCOEM&HS. This documentation will provide the team member with proper documentation and he or she will be excused from that meeting. Two excused absences shall be the maximum allowed per calendar training year.

If a certified HazMat Team member falls below the required number of training sessions, the jurisdiction shall then be considered out-of compliance and shall be subject to a citation 30% of their contractual amount or \$500.00, whichever is greater.

Training sessions will be scheduled for approximately two or more hours. The member(s) must arrive promptly at the scheduled starting time and attend the entire scheduled session. Failure to do so will result in that member not receiving meeting attendance credit.

17. In the event that the member is part of a team response, the member shall be required to assist with the cleanup and return of the equipment to operational status before receiving credit for the response. This may include returning with the equipment to the place of storage for additional work.

**TEAM MEMBER TRAINING/TECHNICAL RESCUE:**

18. It is the responsibility of the local jurisdiction to ensure that their team members attend **ALL** scheduled training sessions. Training sessions for all **TECHNICAL RESCUE** shall be scheduled at the direction of the Advisory Board. Salaries or any other reimbursement received to attend any training session shall be the responsibility of the jurisdiction. All Team members shall be required to attend 50% of the scheduled training during a calendar year. If the team members has a work commitment at his/her department and is unable to attend training, that member shall be required to submit a written explanation signed by their Chief as to why they can not attend. The written documentation can be sent via USPS or fax to the LCOEM&HS. This documentation will provide the team member with proper documentation and he or she will be excused from that meeting. Two excused absences shall be the maximum allowed per calendar training year.

Training sessions will be scheduled for approximately two or more hours. The member(s) must arrive promptly at the scheduled starting time and attend the entire scheduled session. Failure to do so will result in that member not receiving meeting attendance credit.

19. In the event that the member is part of a team response, the member shall be required to assist with the cleanup and return of the equipment to operational status before receiving credit for the response. This may include returning with the equipment to the place of storage for additional work.

**TEAM MEMBER PHYSICALS:**

20. All team members (HazMat) shall be required to complete and pass a physical exam based on the Occupational Safety and Health Guidance Manual for the type of team for which they are members on a bi-annual (every two years) basis. Since physicals are mandated for all firefighters by the State of Ohio, the cost of the physical exam is the responsibility of the jurisdiction.
21. By December 31<sup>st</sup> of the year that the physical is completed, the fire chief shall submit in writing, a form provided by the Advisory Board stating/identifying the following:
  - Each team member(s) for the jurisdiction
  - A statement that the team member(s) have successfully completed and passed **all aspects** of the physical
  - The team member is in compliance with National Incident Management System (NIMS) training mandates

If the jurisdiction fails to provide this information by December 31 of the physical year, the jurisdiction shall be subject to a citation of **30%** of their contractual amount or **\$500.00**, whichever is greater.

**TERMINATION FOR DEFAULT:**

- 22. Upon the failure of any political subdivision which is participant to this Agreement to completely fulfill its obligations and duties as herein set forth, the Advisory Board may declare said participant to be in default and issue written notice to said participant setting forth the reasons for the default and the manner in which the participant is to cure the default.
- 23. The defaulting participant shall have sixty (60) days from the date of the notice to cure the default as set forth in the notice. During said time, the participant remains obligated to fulfill all other terms of this Agreement.
- 24. If the defaulting participant fails to cure the default within sixty (60) days of the notice of default, the Advisory Board may terminate the Agreement as to that participant, and shall provide the participant with written notice of termination.
- 25. Any participant who has been terminated from this Agreement shall thereafter be responsible for the full cost of personnel, equipment, and supplies used at any incident within the jurisdiction in which the Team is requested to respond to be calculated on the same basis as hazardous materials cost recovery.
- 26. Any participant terminated from this Agreement by default may be reinstated by application and approval to the Advisory Board and upon cure of the violations that caused the default.

**COMMUNICATIONS AND ALERTS:**

- 27. The Advisory Board shall be responsible to provide an alerting system for the recall of all Team members. It is the responsibility of the jurisdiction to immediately supply any changes in regards to contact numbers or any other items needed for the alerting system as soon as a change occurs.

**CANCELLATION OR REOPENING OF AGREEMENT:**

- 28. It is mutually understood and agreed to that any party hereto may request to reopen, for the purpose of renegotiation, or cancel its participation in this contractual agreement, by giving a sixty (60) day written notice to all said parties hereto by registered mail, return receipt requested to the Lorain County Prosecutor's Office and Lorain County Office of Emergency Management and Homeland Security. This contract shall be effective upon approval of the governing bodies of Lorain County and the political jurisdictions entering into this contractual agreement that is to commence at 12:00AM, January 1, 2012 and ending 11:59PM, December 31, 2016.
- 29. At all times, copies of this contract shall remain in the offices of the Lorain County Prosecutor, Lorain County Office of Emergency Management and Homeland Security and the local political jurisdiction.

IN WITNESS WHEREOF, said political subdivisions have caused this agreement to be executed as provided by ordinance or resolution duly adopted for that purpose, a copy of which is hereto appended.
