Dear Mr. Thompson: **RE: Application for Enterprise Zone Tax Abatement

300 Creekside Drive
City of Oberlin, Ohio**

The City of Oberlin has received a request for Enterprise Zone tax abatement from Creekside Properties, LLC/Agrinomix, LLC for 75% tax abatement for 10 years for a proposed expansion project at 300 Creekside Drive in Oberlin's Industrial Park. The proposed expansion project includes a 15,000 sq. ft. building addition for additional manufacturing space and the hiring of five (5) additional employees over the next three (3) years. A copy of the Enterprise Zone application and a calculation of the estimated property tax abatement and collection are attached.

The City's Tax Incentive Negotiating Committee met today, June 9th, 2015, to review this request. The following abatement terms were unanimously recommended by the Committee and have been accepted by the property owner/company:

- 1) A 75% real estate tax abatement applied to new real property improvements for a period of ten (10) years is recommended.
- 2) The company will be granted abatement on new real property improvements to be completed at an estimated cost of \$725,000 with abatement based upon the Lorain County Auditor's appraisal of those improvements.
- 3) There will be no School Compensation Agreement associated with this abatement.
- 4) The company will maintain its current staff of 28 full-time equivalent employees and will use its best efforts to add five (5) new full-time permanent jobs within thirty-six (36) months of the completion of their new addition.
- 5) The company will pay an annual monitoring fee equal to 1% of the net benefit received under the agreement subject to a minimum fee of \$500 and a maximum fee of \$2,500.

Please review the attached application and contact me with any questions or comments you may have.

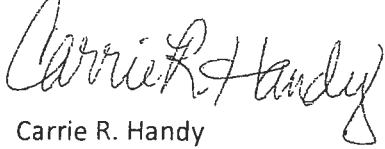

Pursuant to Section 5709.83 of the Ohio Revised Code, Lorain County Joint Vocational School District is hereby notified of the proposed Enterprise Zone Agreement with Creekside Properties, LLC/Agrinomix, LLC.

Lorain County JVS has fourteen (14) days under statute to review and comment on this request. We ask that you expedite your review as quickly as possible and waive the statutory fourteen (14) day review

period so that the City might expedite the process and get construction of the addition underway as soon as possible.

Please do not hesitate to contact me should you have any questions regarding this application or if you require any additional information.

Dear Angela: **RE: Application for Enterprise Zone Tax Abatement
 Proposed Expansion Project for Creekside Properties/Agrinomix
 300 Creekside Drive
 City of Oberlin, Ohio**

Further to my communication of May 14, 2015 which included Creekside Properties'/Agrinomix's application for 100% tax abatement for 10 years for a proposed expansion project at 300 Creekside Drive, please be advised that the company has submitted a revised application for 75% abatement for 10 years (attached to this letter). This revised percentage and time period of abatement do not require Oberlin Board of Education approval, only notification to the Schools.

However, per City Ordinance No. 91-23 AC CMS, the Oberlin Schools have two representatives on the City's Tax Incentive Negotiating Committee (TINC) to consider the Enterprise Zone Agreement which the City will have with Creekside Properties/Agrinomix. It is my understanding that you and Interim Superintendent Jim Eibel will be those two representatives. We have scheduled the TINC meeting for Tuesday, June 9th, 2015 at 9:00 a.m. in Conference Room 1, City Hall, 85 S. Main Street, Oberlin, Ohio.

Please do not hesitate to contact me should you have any questions regarding this application or if you require any additional information.

Sincerely,

A handwritten signature in cursive script that reads "Carrie R. Handy".
