ARTICLE 1 PREAMBLE

Section 1.1 This agreement is hereby entered into between the City of Oberlin, hereinafter referred to as the "City" and the International Brotherhood of Electrical Workers, Local #39 hereinafter referred to as the "Union."

ARTICLE 2 PURPOSE

Section 2.1 The City and the Union hereby enter into this Agreement reached through the process of collective bargaining for the following purposes: 1) To recognize the legitimate interests of the employees of the City; 2) To determine the wages, hours, and terms and working conditions of those employees; 3) To promote harmonious, cooperative relations; 4) To promote efficient, effective service to the citizens of Oberlin; 5) To avoid interruption or interference with the efficient operation of the City's business; and 6) To provide a procedure for the fair and equitable adjustment of grievances that arise as a result of the misinterpretation or misapplication of the express provisions of this Agreement.

ARTICLE 3 RECOGNITION

Section 3.1 The City recognizes the IBEW as the sole and exclusive representative for the purpose of negotiating wages, hours, terms and other conditions of employment for the employees of the City in the bargaining unit. Wherever used in this Agreement "bargaining unit" shall be deemed to include those individuals employed as full-time and regular permanent part-time by the City in the classifications as set forth in Section 3.2 below.

Section 3.2 Classifications include IBEW Local Union 39 public employees of the City of Oberlin in the following classifications: Lead Operator, Plant Operator, Plant Operator B, Crew Leader, Lead Operator Distribution, Distribution Operator, Distribution Operator B, Service Maintenance Worker, Lead Vehicle Maintenance Mechanic, Mechanic, Collections Operator, Collection Operator B, Lab Technician, Acting Lab Technician, Operator/Assistant Lab Technician, Acting Assistant Lab Technician, Construction Technician, Field Maintenance Specialist, Operator/Mechanic, Lead Operator/Mechanic, Journeyman Lineman, Line Crew Leader, Lineman B, Electric Technician I, Electric Technician II, and Inventory Purchasing Specialist

Classifications excluded: management, confidential, professional, fiduciary, supervisory, casual, and seasonal employees.

Section 3.3 In the event of a change of duties of a position within the bargaining unit resulting in reclassification of a position as determined by the City or in the event that the City establishes a new position, the City will notify the union of such changes prior to implementation and the City reserves the right to determine whether the new or changed position will be included in or excluded from the bargaining unit. If the union disputes the City's determination of the bargaining unit status, the parties will meet to attempt to resolve their disagreement. If the parties are unable to agree on the bargaining unit status of the position, the issue shall be subject to appeal by the Union through the Grievance Procedure as contained in Article 11 (Grievance Procedure).

Section 3.4 Substantial changes in the methods of operation, tools, and/or equipment of a shop shall be the prerogative of the City. The establishment of the rate of pay for such job(s) and the placing of such

job(s) in an existing classification shall likewise be the prerogative of the Employer. If the Union disagrees with the rate of pay established for such job(s), a grievance may be filed in accordance with the provisions of the grievance procedure contained herein. The arbitrator shall have the authority to establish the rate of pay for the position within the parameters of the rates as proposed by the City and requested by the Union. Any award of the arbitrator may be retroactive to the date the grievance was filed by the Union.

Section 3.5 Any rate and classification mutually agreed to by the City and the Union, or decided by an arbitrator, shall become part of the wage rates contained herein.

ARTICLE 4 DUES DEDUCTION

Section 4.1 The City agrees to deduct Union membership dues in accordance with this Article for all employees eligible for membership in the bargaining unit upon successful completion of their individual probationary periods, or 60 days from their date of employment, whichever is less.

Section 4.2 The City agrees to deduct regular Union membership dues once each month from the pay of any employee in the bargaining unit eligible for membership upon receiving written authorization signed individually and voluntarily by the employee. The signed payroll deduction form must be presented to the City by the employee. Upon receipt of the proper authorization, the City will deduct Union dues from the payroll check for the next pay period in which dues are normally deducted following the pay period in which the authorization was received by the City.

Section 4.3 The parties agree that the City assumes no obligation, financial or otherwise, arising out of the provisions of this Article regarding the deduction of membership dues, fees or assessments. The Union hereby agrees that it will indemnify and hold the City harmless from any claims, actions or proceedings by any employee arising from the deductions made by the City pursuant to this Article. Once the funds are remitted to the Union, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Union.

Section 4.4 The City shall be relieved from making such individual "check-off" deductions upon an employee's: (1) termination of employment; (2) transfer to a job other than one covered by the bargaining unit; (3) layoff from work; (4) an unpaid leave of absence; or (5) revocation of the check-off authorization. Said revocation must be submitted to the City in writing.

Section 4.5 The City shall not be obligated to make dues deductions from any employee who, during any dues months involved, shall have failed to receive sufficient wages to make legally required deductions in addition to the deduction of Union dues.

Section 4.6 The parties agree that neither the employees nor the Union shall have a claim against the City for errors in the processing of deductions unless a claim of error is made to the City in writing within thirty (30) days after the date such an error is claimed to have occurred. If it is found an error was made, it will be corrected at the next pay period that the Union dues deduction would normally be made by deducting the proper amount.

Section 4.7 Deductions provided for in this Article are subject to the approval of the Finance Director or designee and shall be made during one (1) pay period each month. In the event a deduction is not made for any Union member any particular month, the City, upon written verification of the Union, will make the appropriate deduction from the following pay period if the deduction does not exceed the total of two

(2) months regular dues. The City will not deduct more than two (2) months regular dues from the pay of any Union member.

Section 4.8 The rate at which the dues are to be deducted shall be certified to the payroll clerk by the Treasurer of the Union during January of each year. One (1) month advance notice must be given to the payroll clerk prior to making any changes in an individual's dues deductions.

Section 4.9 The City agrees to remit a warrant in the aggregate amount of the deductions to the Union.

ARTICLE 10 GRIEVANCE PROCEDURE

Section 10.1 The term "grievance" shall mean an allegation by a bargaining unit employee or the City that there has been a breach, misrepresentation, or improper application of this Agreement. It is not intended that the grievance procedure be used to effect changes in the Articles of this Agreement nor those matters not covered by the Agreement.

Section 10.2 If specific administrative agency relief of judicial or quasi-judicial nature is provided for by the ordinances of the City of Oberlin, statutes of the State of Ohio or the United States for review or redress of specific matters (such as Worker's Compensation, Unemployment Compensation, etc), such matters may not be the subject of a grievance or processed as such. It is expressly agreed that all matters within the jurisdiction of the Oberlin Civil Service Commission, excluding specific provisions as contained in the Agreement, shall remain so and shall not be subject to a grievance within the meaning of this Article. All grievances must be processed at the proper step in order to be considered at subsequent steps and the following procedure will be observed.

Step 1. An employee who has a grievance or the area steward must submit it in writing to the Department head within ten (10) calendar days after the occurrence of the events upon which his grievance is based. The grievance shall include the name and position of the grievant, the provision(s) of the Agreement involved in the grievance; the time and place where the alleged events or conditions giving

rise to the grievance took place, the identity of the party responsible for causing the said grievance; and a general statement of the nature of the grievance and the redress sought by the grievant. The grievance shall be signed and dated by the grievant and/or the area steward. The Department Head or his designee shall give his answer within seven (7) calendar days after receipt of the grievance to the grievant and the Union.

Step 2. If the grievance is not satisfactorily settled with the written decision at the conclusion of Step 1, a written appeal of the decision may be filed by the Business Manager, Local Unit Chairperson, or his designee within five (5) calendar days from the date of the rendering of the decision at Step 1. Copies of the written decisions shall be submitted with the appeal. The City Manager or his designee shall meet with grievant and/or the Business Manager or his designee and the area Steward if needed, within twenty (20) calendar days after the receipt of the appeal. The City Manager or his designee shall issue a written decision to the employee and the Union within fifteen (15) calendar days from the date of the meeting.

Step 3. In the event a grievance is unresolved after Step 2, then within twenty (20) calendar days after the rendering of the decision at Step 2, the Union may submit the grievance to arbitration. Within this twenty (20) day calendar period the parties will meet to attempt to mutually agree upon an arbitrator. If such agreement is not reached, the parties will promptly request the Federal Mediation and Conciliation Service to submit a panel of arbitrators and will choose one (1) by the alternative strike method.

The arbitrator shall have no power or authority to add to, subtract from, or in any manner, alter the specific terms of this Agreement or to make any award requiring the commission of any act prohibited by law or to make any award that itself is contrary to law or violates any of the terms and conditions of this Agreement.

The hearing or hearings shall be conducted pursuant to the "Rules of Voluntary Arbitration" of the American Arbitration Association.

The fees and expenses of the arbitrator and the cost of the hearing room, if any, shall be borne by the losing party. All other expenses shall be borne by the party incurring them. Neither party shall be responsible for any of the expenses incurred by the other party.

Employees who are reasonably necessary for the resolution of the grievance shall attend the arbitration hearing without the necessity of subpoena and shall be compensated at their regular hourly rate for all hours during which attendance is required by the City. Any request made by either party for the attendance of witnesses shall be made in good faith, and shall not adversely affect the operations of the department.

The arbitrator's decision and award will be in writing and delivered within thirty (30) days from the date the record is closed. The decision of the arbitrator shall be final and binding upon the parties.

Section 10.3 The time limits set forth in the Grievance Procedure shall, unless extended by mutual written agreement of the City and the Union, be binding, and any grievances not timely presented, or timely processed thereafter, shall not be considered a grievance under this Agreement. Any grievance not timely processed by the City at any of the preceding steps may be immediately referred by the Union to the next level.

Section 10.4 Calendar days as provided within the Grievance Procedure shall not include Saturdays, Sundays, or Holidays.

Section 10.5 It is understood that any disciplinary action resulting in suspension and/or discharge shall be subject to the grievance procedure.

ARTICLE 11 PROBATIONARY PERIODS

The probationary period for a newly promoted employee shall begin with the effective date of the promotion and shall continue for a period of seven hundred twenty (720) hours worked. A newly promoted employee who evidences unsatisfactory performance as determined solely by the City may be returned to his former position any time during his probationary period. Within thirty (30) calendar days of the employee being awarded the new job vacancy, the employee may request in writing to the City to return to his former classification provided that a vacancy exists in his former classification as determined solely by the City.

Section 12.2 In the event of a lay-off, members of the bargaining unit will be laid off in accordance with their seniority, unless in the City's judgment an employee's skill(s) are deemed necessary to the effective operations of the City. In the event of a lay-off the City will give at least a fourteen (14) calendar day notice by certified mail to the Union.

Section 12.3 A member of the bargaining unit who is laid off shall be subject to recall from layoff for a period of two (2) years provided that he maintains his current address and telephone number with the City. A recall from layoff will be in accordance with seniority and ability to perform the requisite duties as determined by the City.

Section 12.4 Employees failing to respond to a recall from layoff within ten (10) calendar days of the date the City sent such recall notice to the employee's last known address as described in Section 12.3 above, shall be deemed to have quit without notice.

Section 12.5 Continuous service and seniority shall be terminated when an employee:

- a) quits or resigns;
- b) is discharged;

- c) is laid off for two (2) consecutive years;

Section 13.1 The normal work week for regular full-time employees shall be forty (40) hours of work during a seven (7) day period starting at approximately 12:00 AM Saturday to approximately midnight Friday, exclusive of time allotted for meals and reasonable work breaks except where different hours are necessary to meet operational needs. This shall not be construed as a guarantee of hours of work per day or per week, and the City reserves the right, as operational needs and conditions require, to establish and change hours of work and/or schedules of hours.

Section 13.2 Employees required to work four (4) or more hours of overtime beyond their regularly scheduled hours of work shall be entitled to a meal allowance not to exceed twelve dollars (\$12) and a meal break within the first two (2) hours barring operational emergency.

Section 13.3 The Employer will post departmental work schedules (i.e. weekly, monthly, etc.) not later than the last day of the work period for the following work period(s). Dependent on operational requirements posted work schedules may be changed at any time at management's discretion.

Section 13.4 Employees shall be entitled to a fifteen (15) minute break during the first half of the work day and a second fifteen (15) minute break the second half of the work day. Breaks shall be scheduled by management and may be rescheduled by management when necessary to meet operational requirements.

ARTICLE 14 OVERTIME

Section 14.1 Employees will be paid time and one-half (1-1/2) their straight-time rate of pay for hours worked in excess of forty (40) in any one (1) work week provided, however, there shall be no pyramiding of overtime or other premium pay. For purposes of this Section, hours paid for vacation, personal time, jury time, holidays, and sick leave hours paid for funeral leave shall be considered as time actually worked. All other hours paid but not worked shall be excluded from the computation of overtime.

Section 14.2 Overtime opportunities shall be offered fairly to employees within the division who are qualified to perform the work.

ARTICLE 15 PROMOTIONS - JOB BIDDING

Section 15.1 When a vacancy, opening, or new job occurs as determined solely by the City, in the classifications covered by this Agreement, the City shall post a notice in the departments affected by this Agreement of the vacancy or opening for seven (7) work days. During the seven (7) work days, employees may bid for the posted job. The job shall be awarded within fifteen (15) work days of the expiration of the job posting notice. The City reserves the right to pull the bid opening and not fill the position anytime within the 15 work day posting time period. Job bid awards(s) shall be based on the following: 1) Qualifications; 2) Ability to perform the work involved as determined by management; 3) Such award(s)

does not adversely affect other operational needs; and 4) Seniority. The employee chosen, in the sole judgment of the City, must be able to perform the job on a forthwith basis or possess the requisite skills and aptitudes to do so. Job bidding shall be limited to only higher rated job classifications. However, one time during the term of the agreement, an employee may bid to a lower rated classification, provided, in management's sole judgment, such down-bid is consistent with operating requirements.

Section 15.2 Successful bidders to higher rates classification in classifications within a Division shall be paid in accordance with Article 31 (Compensation, Section 30.2. Initially, employees shall be placed in the progression step that provides a minimum 15% increase above the employee's current hourly rate, or maximum hourly rate, whichever is applicable. ARTICLE 16 CONFORMITY TO LAW

Section 16.1 This Agreement shall be subject to and subordinated to any applicable present and future Federal, State, or Local Laws, and the invalidity of any provision(s) of this Agreement by reason of any such existing or future law shall not affect the validity of the surviving provisions.

Section 16.2 If the enactment of legislation, or a determination by a court of final and competent jurisdiction (whether in a proceeding between the parties or in one not between the parties but controlling by reason of the facts) renders any portion of this agreement invalid or unenforceable, such legislation or decision shall not affect the validity of the surviving provisions of this Agreement, which shall remain in full force and effect as if such invalid provision(s) thereof had not been included herein.

Section 16.3 The parties agree that should any provision of this Agreement be found to be invalid, upon written request by either party, they will schedule a meeting within thirty (30) days at a mutually agreeable place and time to negotiate alternative language on the same subject matter.

ARTICLE 17 OBLIGATION TO NEGOTIATE

Section 17.1 The City and the Union acknowledge that during negotiations which preceded this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining/negotiations and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

Section 17.2 Therefore, for the life of this Agreement, the City and The Union each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to negotiate collectively with respect to any subject or matter referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated and signed this Agreement.

Section 20.2 All full-time employees shall earn sick leave at the rate of 4.6 hours per pay period of active service up to a maximum of fifteen (15) days per year. Sick leave shall accumulate without limit from year to year.

Section 20.3 An employee who is absent on sick leave shall notify his supervisor or designee of such absence and the reason therefore at least one (1) hour prior to the start of his work shift. An employee is required to call in on each day off, or notify the City of the duration of his absence.

Section 20.4 Sick leave may be used in segments of not less than one (1) hour.

Section 20.5 After five (5) consecutive days of absence, before an absence may be charged against accumulated sick leave, the Department Head or his designee may require such proof of illness, injury, or death as may be satisfactory to him, or may require the employee to be examined by a physician designated

by the City and paid by the City. If the City determines that an abuse exists, then proof of absence can be requested at any time.

During the 2020 negotiations the parties mutually agreed that pay adjustments, if any, for 2021, 2022, and 2023 would apply to payment amounts received by the employees covered by this Labor Agreement in the last pay period of December 2020, December 2021 and December 2022 regardless of the date(s) such payment amounts were earned, provided such payments were contractually proper.

Appendix V
LETTER OF UNDERSTANDING

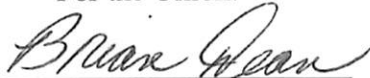

RE: Earned Rest Provision

During the 2008 negotiations, the parties discussed and agreed that the intent of this earned rest provision is to provide a safe work environment by assuring that employees called upon to work excessive hours due to unforeseen circumstances shall have sufficient time to recuperate prior to returning to work.

In consideration of this fact, the following shall apply:

1. When an employee works sixteen (16) hours or more within a twenty-four (24) hour period, the employee shall be entitled to take eight (8) hours of earned rest before returning to work. If any of the eight (8) hours of earned rest coincides with the employee's next regularly scheduled shift, the employee shall be compensated for those hours and/or fraction of hours up to a maximum of eight (8) hours at the employee's base hourly rate.
2. Employees who work more than eight (8) hours but less than sixteen (16) hours during a 24-hour period, depending on when those hours are worked during this 24-hour period, may also require time to recuperate before returning to their regular schedule. Under these circumstances employees may request consideration for such rest time as sick leave, personal leave or vacation time as may be agreed by the employee and management. Such request will not be unreasonably denied. If sick leave is used, those hours shall be counted as hours worked toward overtime computation.
