ARTICLE I – PREAMBLE

Section 1.1 This Agreement is hereby entered into between the City of Oberlin, hereinafter referred to as the “Employer” and the Ohio Patrolmen’s Benevolent Association, hereinafter referred to as the “OPBA”.

ARTICLE II – PURPOSE

Section 2.1 The Employer and the OPBA hereby enter into this Agreement reached through the process of collective bargaining for the following purposes: 1) to recognize the legitimate interests of the employees of the Employer; 2) To determine the wages, hours, and terms and working conditions of those employees; 3) To promote harmonious, cooperative relations; 4) To promote efficient, effective service to the citizens of Oberlin; 5) To avoid interruption or interference with the efficient operation of the Employer’s business; and 6) To provide a procedure for the fair and equitable adjustment of grievances that arise as a result of the misinterpretation or misapplication of the express provisions of this Agreement.

ARTICLE III – RECOGNITION

Section 3.1 The City agrees to recognize the OPBA as the sole and exclusive bargaining representative for all employees in the bargaining unit. Wherever used in this Agreement, the term bargaining unit shall be defined as all employees employed by the City in the rank of Police Sergeant.

Section 3.2 All positions and classifications not specifically established herein as being included in the bargaining unit shall be excluded from the bargaining unit.

ARTICLE IV – DUES DEDUCTION

Section 4.1 The City agrees to deduct Union membership dues in accordance with this Article for all employees eligible for membership in the bargaining unit upon successful completion of their individual probationary periods, or 60 days from their date of employment, whichever is less.

Section 4.2 The City agrees to deduct regular Union membership dues once each month from the pay of any employee in the bargaining unit eligible for membership upon receiving written authorization signed individually and voluntarily by the employee. The signed payroll deduction form must be presented to the City by the employee. Upon receipt of the proper authorization, the City will deduct Union dues from the payroll check for the next pay period in which dues are normally deducted following the pay period in which the authorization was received by the City.

Section 4.3 The parties agree that the City assumes no obligation, financial or otherwise, arising out of the provisions of this Article regarding the deduction of membership dues, fees or assessments. The Union hereby agrees that it will indemnify and hold the City harmless from any claims, actions or proceedings by any employee arising from the deductions made by the City pursuant to this Article. Once the funds are remitted to the Union, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Union.

Section 4.4 The City shall be relieved from making such individual “check-off” deductions upon an employee’s: (1) termination of employment; (2) transfer to a job other than one covered by the bargaining unit; (3) layoff from work; (4) an unpaid leave of absence; or (5) revocation of the check-off authorization. Said revocation must be submitted to the City in writing.

Section 4.5 The City shall not be obligated to make dues deductions from any employee who, during any dues months involved, shall have failed to receive sufficient wages to make legally required deductions in addition to the deduction of Union dues.

Section 4.6 The parties agree that neither the employees nor the Union shall have a claim against the City for errors in the processing of deductions unless a claim of error is made to the City in writing within thirty (30) days after the date such an error is claimed to have occurred. If it is found an error was made, it will be corrected at the next pay period that the Union dues deduction would normally be made by deducting the proper amount.

Section 4.7 Deductions provided for in this Article are subject to the approval of the Finance Director or designee and shall be made during one (1) pay period each month. In the event a deduction is not made for any Union member any particular month, the City, upon written verification of the Union, will make the appropriate deduction from the following pay period if the deduction does not exceed the total of two (2) months regular dues. The City will not deduct more than two (2) months regular dues from the pay of any Union member.

Section 4.8 The rate at which the dues are to be deducted shall be certified to the payroll clerk by the Treasurer of the Union during January of each year. One (1) month advance notice must be given to the payroll clerk prior to making any changes in an individual’s dues deductions.

Section 4.9 The City agrees to remit a warrant in the aggregate amount of the deductions to the Union.

ARTICLE V – MANAGEMENT RIGHTS

Section 5.1 Except as specifically limited herein, the Employer shall have the exclusive right to manage the operations, control the premises, direct the working forces, and maintain maximum efficiency of operations. Specifically, the Employer’s exclusive management rights include, but are not limited to, the sole right to hire, discipline and discharge for just cause, lay off and promote; to promulgate and enforce reasonable employment rules and regulations; to reorganize, discontinue, or enlarge any operation, or division within the police department; to transfer (including the assignment and allocation of work operations-division) within or to other operations-divisions; to determine the work methods and the number and locations of facilities; to determine the manner in which all work is to be performed; to determine the size and duties of the work force, the number of shifts required, and all work schedules; to establish, modify, consolidate, or abolish jobs; and to determine staffing patterns, including, but not limited to assignment of employees, numbers employed, duties to be performed, qualifications required, and areas worked; subject only to the restrictions and regulations governing the exercise of the rights as are expressly provided herein.

Section 5.2 The OPBA recognizes and accepts that all rights and responsibilities of the

Employer not expressly restricted or modified herein and as permitted by law shall remain the function of the Employer.

ARTICLE VI – DRUG TESTING

Section 6.1 The City may implement a random drug testing procedure of employees or may require individual employees to be tested for drug and/or substance abuse. Such testing shall be at the sole discretion of the City, with all testing costs paid by the City. Employees required to be tested on off-duty time, shall be compensated for such time.

Section 6.2 Prior to the commencement of random drug testing, the Employer will meet with the Union to discuss the reasons and the procedure under which the testing will be administered.

ARTICLE VII – NON-DISCRIMINATION

Section 7.1 Neither the City nor the Union shall discriminate against any bargaining unit employee on the basis of age, sex, race, color, creed, disability or national origin. The Union shall share equally with the City the responsibility for applying this Article to the Agreement.

Section 7.2 All references to employees in this Agreement designate both sexes, and whenever the male gender is used it shall be construed to include male and female employees.

Section 7.3 The City agrees not to interfere with the rights of bargaining unit employees to become members of the Union, and the City shall not discriminate, interfere, restrain or coerce any employee because of the Union membership or because of any legal employee activity in an official capacity on behalf of the Union, as long as that activity does not conflict with the terms of this Agreement.

Section 7.4 The Union agrees not to interfere with the rights of employees to refrain or resign from membership in the Union and the Union shall not discriminate, interfere, restrain, or coerce any employee exercising the right to abstain from membership in the Union or involvement in Union activities.

ARTICLE VIII – NO STRIKE/NO LOCKOUT

Section 8.1 In as much as this Agreement provides machinery for the orderly resolution of grievances, the City and the Union recognize their mutual responsibility to provide for uninterrupted services to the citizens of Oberlin. Therefore, the Union agrees that neither it, its officers, agents, representatives, or members will authorize, instigate, cause, aid, condone, or participate in any strike, work stoppage, or any other interruption of operations or service of the City by its members.

Section 8.2 When the City notifies the Union that any member of the bargaining unit individually or collectively are engaged in any such strike activity, as outlined above, the Union agrees to immediately publicly denounce such violations, disclaim approval and conspicuously post notice over the signature of an authorized representative of the Union to the effect that a violation is in progress

and such notice shall instruct all employees to return to work immediately. Should the Union fail to publicly denounce such violation and post such notice, the City shall have the option of canceling any or all Article(s), Section(s), or Subsection(s) of this Agreement.

Any employee failing to return to work after notification by the Union as provided herein, or who participates in or promotes such strike activities as previously outlined, shall be subject to disciplinary action on an individual basis, up to and including discharge, and only the question of whether or not he did in fact participate in or promote such action shall be subject to appeal.

Section 8.3 The City agrees that neither it, its officers, agents, or representatives, individually or collectively, will authorize, instigate, cause, aid or condone any lockout of members of the Union, unless those members shall have violated Section 8.2 of this Article.

ARTICLE IX – ASSOCIATION REPRESENTATION

Section 9.1 One (1) representative will be recognized by the City as the Union representative in accordance with this Agreement upon the receipt of a letter so identifying him and signed by an OPBA staff representative.

Section 9.2 The parties recognize that it maybe necessary for an employee representative of the OPBA to leave a normal work assignment while acting in the capacity of representative. The OPBA recognizes the operational needs of the City and will cooperate to keep to a minimum the time lost from work by a representative. Before leaving an assignment pursuant to this section, the representative must obtain approval from his supervisor. The City will compensate a representative at the normal rate for the time spent in good faith processing of grievances, and at any meetings at which the City requests a representative to be present during their regular working hours.

Section 9.3 The Director of the OPBA or his designee shall be allowed a cumulative total of twenty-four (24) hours off per year without pay to attend OPBA Director meetings. Such employee shall provide the Employer with at least thirty (30) days advance written notice of the date(s) being requested.

ARTICLE X – EMPLOYEE RIGHTS

Section 10.2 Before an employee may be charged with any violation of the Rules and Regulations for a refusal to answer questions or participate in an investigation, he shall be advised that his refusal to answer such questions or participate in such investigation could be the basis of such a charge.

Section 10.3 Questioning or interviewing of an employee in the course of an internal investigation will be conducted at hours reasonably related to the employee's shift, unless operational necessities require otherwise. Interrogation sessions shall be for reasonable periods of time and time

shall be provided for rest periods and attendance to physical necessities. In addition, the employee may record such interrogation if he has a recording device available so as not to delay the investigation. The Employer may have a transcript of such recording at the Employer's expense.

Section 10.4 When an investigation moves from investigatory to accusatory and/or the affected employee reasonably believes disciplinary action may result, the affected employee shall have the right to request and have a Union representative present. Such request shall not unreasonably delay the continuation of the investigation.

Section 10.5 An employee may request an opportunity to review his personnel file, add memoranda to the file clarifying any documents contained in the file, and may have a non-employee representative of the OPBA present when reviewing his file. A reasonable request for copies of items included in the file shall be honored. Section 11.2 All non-probationary employees who are suspended, demoted or discharged, shall be given written notice regarding the reason(s) for the disciplinary action. Appeals of disciplinary action shall be through the Grievance and Arbitration procedures contained herein.

Section 11.3 Prior to any discipline being imposed, the non-probationary employee shall be given a meeting to respond to the Chief of Police or his designee.

ARTICLE XII – GRIEVANCE PROCEDURE

Section 12.1 The term "grievance" shall mean an allegation by a bargaining unit employee or the City that there has been a breach, misinterpretation, or improper application of this Agreement. It is not intended that the grievance procedure be used to affect changes in the Articles of this Agreement nor those matters not covered by the Agreement.

Section 12.2 If specific administrative agency relief of judicial or quasi-judicial nature is provided for by the ordinances of City of Oberlin, statutes of the State of Ohio or the United States for review or redress of specific matters (such as Worker's Compensation, Unemployment Compensation, etc.), such matters may not be the subject of a grievance or be processed as such. It is expressly agreed that all matters within the jurisdiction of the Oberlin Civil Service Commission, excluding the specific provisions as contained in the Labor Agreement, shall remain so and shall not be subject to a grievance within the meaning of this Article. All grievances must be processed at the proper step in order to be considered at subsequent steps and the following procedure will be observed:

Step 1. An employee who has a grievance must submit it in writing to the Lieutenant within ten (10) calendar days after the occurrence of the events upon which his grievance is based. The grievance shall include the name and position of the grievant, the provision(s) of the Agreement involved in the grievance; the time and place where the alleged events or conditions giving rise to the grievance took place; the identity of the party responsible for causing the said grievance; and a general statement of the nature of the grievance and the redress sought by the grievant. The grievance shall be signed and dated by the grievant and/or the steward. The Lieutenant or his designee shall give his answer within ten (10) calendar days after receipt of the grievance. The Lieutenant's or his designee's answer shall be given to the grievant or the OPBA.

Step 2. If the employee's grievance is not satisfactorily settled in Step 1, the grievant shall, within ten (10) calendar days after receipt of the Step I answer, present such grievance to the Chief. The Chief shall meet with the grievant representative of the OPBA within ten (10) calendar days after the written grievance has been filed with the Chief, and a written answer shall be given within five (10) calendar days after the Step 2 meeting. The Chiefs answer shall be presented to the grievant or the OPBA.

Step 3. If the grievance is not satisfactorily settled with the written decision at the conclusion of Step 2, a written appeal of the decision may be filed with the City Manager within ten (10) calendar days from the date of the rendering of the decision at Step 2. Copies of the written decisions shall be submitted with the appeal. The City Manager or his designee shall meet with the grievant and/or a representative of the OPBA within ten (10) calendar days after the receipt of the appeal. The City Manager or his designee shall issue a written decision to the employee and his OPBA representative within ten (10) calendar days from the date of the meeting.

Step 4. In the event a grievance is unresolved after Step 3, then within ten (10) calendar days after the rendering of the decision at Step 3, the grievant may submit the grievance to arbitration. Within this ten (10) calendar day period, the parties will meet to attempt to mutually agree upon an arbitrator. If such agreement is not reached, the parties will promptly request the Federal Mediation and Conciliation Service to submit a panel of arbitrators and will choose one (1) by the alternative strike method.

The arbitrator shall have no power or authority to add to, subtract from, or in any manner, alter the specific terms of this Agreement or to make any award requiring the commission of any act prohibited by law or to make any award that itself is contrary to law or violates any of the terms and

conditions of this Agreement.

The hearing or hearings shall be conducted pursuant to the "Rules of voluntary Arbitration" of the American Arbitration Association.

The fees and expenses of the arbitrator and the cost of the hearing room, if any, shall be borne by the losing party. All other expenses shall be borne by the party incurring them. Neither party shall be responsible for any of the expenses incurred by the other party.

Employees who are reasonably necessary to the resolution of the grievance shall attend the arbitration hearing without the necessity of subpoena and shall be compensated at their regular hourly rate for all hours during which attendance is required by the City. Any request made by either party for the attendance of witnesses shall be made in good faith, and shall not adversely affect the operations of the department.

The arbitrator's decision and award will be in writing and delivered within thirty (30) days from the date the record is closed. The decision of the arbitrator shall be final and binding upon the parties.

Section 12.3 The time limits set forth in the Grievance Procedure shall, unless extended by mutual written agreement of the City and the OPBA, be binding, and any grievances not timely presented, or timely processed thereafter, shall not be considered a grievance under this Agreement. Any grievance not timely processed by the City at any of the preceding steps may be immediately referred by the OPBA to the next level.

Section 12.4 Calendar days as provided within the Grievance procedure shall not include Saturdays, Sundays, or Holidays.

Section 12.5 An employee may present grievances and have them adjusted, without the intervention of a representative of the OPBA, as long as the adjustment, if any, is not inconsistent with the terms of the Agreement.

ARTICLE XIII – SENIORITY

Section 13.1 Seniority shall be determined by the length of full-time service with the City of Oberlin Police Department since the most recent date of hire. In case of same date of hire, seniority shall be determined by the employee's standing on the Civil Service List.

Section 13.2 Full-time employees promoted to the Sergeant's classification shall be on a non-contestable probationary period for one (1) year of active duty from the date of the promotion. If during the probationary period the City determines that such probationary employee shall be removed, he shall be returned to his former classification consistent with the other applicable terms of the Labor Agreement. However, during the probationary period disciplinary action is subject to the grievance procedure.

Section 13.3 In the event of a lay-off, members of the bargaining unit will be laid off in accordance with their seniority.

Section 13.4 A member of the bargaining unit who is laid off shall be subject to recall from layoff for a period of two (2) years provided that he maintains his current address and telephone number with the City. A recall from layoff will be in accordance with seniority.

Section 13.5 Employees failing to respond to a recall from layoff, within ten (10) calendar days of the date the City sent such recall notice to the employee's last known address as described in Section 13.4 above, shall be deemed to have quit without notice.

ARTICLE XIV – ATTENDANCE AT ASSIGNED TRAINING SCHOOLS, SESSIONS OR SEMINARS

Section 14.1 Members requesting permission to attend any school, training session or seminar shall submit a written request to the Chief stating the objective, the probable benefit to the department and the expected expense. Such request shall be evaluated by the Chief, and he shall make the final determination and communicate it to the member.

Section 14.2 If the Chief deems it necessary, he may require a member to attend any school, training session or seminar. Such attendance shall be deemed a requirement for their continued employment.

Section 14.3 Attendance at any school, training session or seminar, pertinent to police matters, shall be compensated at the applicable rate of pay. Payment for travel time and attendance in excess of the regular hours of work shall be paid at the overtime rate.

Section 14.4 Any employee required by the City to attend training shall receive an allowance for meals, when meals are not otherwise provided, at the applicable rate approved by the City. In addition, if overnight stays are required, each employee shall be reimbursed at the prevailing cost for overnight accommodations. Receipts for meals and/or accommodations must be submitted by the employee and approved by the Chief.

ARTICLE XV – HOURS OF WORK

Section 15.1 The regular working period for all employees covered by this Agreement will be eighty (80) hours in a two (2) week period. It is expressly understood that the scheduling of employees within such two (2) week periods is an exclusive management right.

ARTICLE XVI – OVERTIME

Section 16.1 Overtime pay for employees shall be at the rate of one and one-half (1 1/2) times the employee's regular hourly rate for any time employed over and above the forty (40) hours in a one (1) week period.

Section 16.2 For the purposes of this Article, all hours paid, except sick leave hours shall be included in the computation of overtime. However, sick leave hours used for medical appointments that cannot otherwise be scheduled during the employee's off-duty hours and approved by the Chief or his designee in advance, shall be considered as hours worked in the computation of overtime.

ARTICLE XVII – CONFORMITY TO LAW

Section 17.1 This Agreement shall be subject to and subordinated to any applicable present and future Federal, State, or Local Laws, and the invalidity of any provision(s) of this Agreement by reason of any such existing or future law shall not affect the validity of the surviving provisions.

Section 17.2 If the enactment of legislation, or a determination by a court of final and competent jurisdiction (whether in a proceeding between the parties or in one not between the parties but controlling by reason of the facts) renders any portion of this Agreement invalid or unenforceable, such legislation or decision shall not affect the validity of the surviving provisions of this Agreement, which shall remain in full force and effect as if such invalid provision(s) thereof had not been included herein.

ARTICLE XIII – OBLIGATION TO NEGOTIATE

Section 18.1 The City and the Union acknowledge that during negotiations which preceded this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining/negotiations and that the understandings and agreement arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

Section 18.2 Therefore, for the life of this Agreement, the City and the Union each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to negotiate collectively with respect to any subject or matter referred to, or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated and signed this Agreement.

ARTICLE XIX – WAIVER IN CASE OF EMERGENCY

ARTICLE XX – SICK LEAVE

Section 20.1 Sick leave shall be defined as an absence with pay necessitated by: 1) illness or injury to the employee; 2) exposure by the employee to a contagious disease communicable to other employees; or 3) serious illness, injury or death in the employee's immediate family.

Section 20.2 All full-time employees shall earn sick leave at the rate of 4.6 hours per pay period of active service up to a maximum of fifteen (15) days per year. Sick leave shall accumulate without limit from year to year.

Section 20.3 An employee who is absent on sick leave shall notify his supervisor or designee of such absence and the reason therefore at least two (2) hours prior to the start of his work shift each day he is to be absent provided there are no extenuating circumstances.

Section 20.5 Before an absence may be charged against accumulated sick leave, the Chief or his designee may require such proof of illness, injury or death as may be satisfactory to him, or may require the employee to be examined by a physician designated by the Chief or his designee and paid by the City.

Section 20.6 If the employee fails to submit adequate proof of illness, injury or death upon request of the Chief or his designee, or in the event that such proof is submitted or upon the report of medical examination, the Chief or his designee finds there is not satisfactory evidence of illness, injury or death sufficient to justify the employee's absence, such leave may be considered an unauthorized leave and shall be without pay and the employee shall be subject to disciplinary action.

Section 20.7 Any abuse of sick leave or the patterned use of sick leave shall be just and sufficient cause for discipline as may be determined by the Chief.

Section 20.8 The Chief or his designee may require an employee who has been absent due to personal illness or injury, prior to and as a condition of his return to duty, to be examined by a physician and paid for by the City, to establish that he is not disabled from the performance of his normal duties and that his return to duty will not jeopardize the health and safety of other employees.

Section 20.9 When the use of sick leave is due to illness, injury or death in the immediate family, "immediate family" shall be defined as the employee's spouse, parent(s), stepparent(s), sisters, brothers, children, stepchildren, or one for whom the employee stands in loco parentis, grandparent(s),

be deemed forfeited unless otherwise approved by the City.

ARTICLE XXIV – INJURY LEAVE

Section 24.1 An employee who is disabled as a result of performing duties within the course and scope of his employment as a full-time employee of the City, if such disability prevents him from performing his duties, and such claim is approved by the State Bureau of Workers Compensation, shall be paid his regular compensation during the continuance of such service related disability, but for a period not to exceed twenty-six (26) weeks from the date such service related disability was incurred.

Section 24.2 The Employer shall have the right to require an employee to have a physical exam by a physician appointed and paid by the Employer, resulting in the physician's certification that the employee is unable to work due to the initial or recurring injury as a condition precedent to the employee receiving any benefits under this Article. The designated physician's opinion shall govern whether the employee is actually disabled.

Section 24.3 An officer directly involved in an incident requiring the use of "deadly force" in the course and scope of his employment, and in accordance with departmental policies and procedures, where such force results in a homicide or severe injury, shall be entitled to administrative leave, with pay, for a maximum of five (5) working days. Such administrative leave shall not be charged against sick leave or injury leave and shall be taken during the time period immediately following such incident as approved by the Chief of Police or his designee.

However, if an officer requests to work a double-back shift, then the officer shall NOT receive overtime for those hours worked. This does not preclude an employee from signing up for overtime which would result in a double-back situation.

Section 26.2 No employee shall be compensated for time fifteen (15) minutes prior to or after their regular shift without the specific prior approval of the Chief of Police or his designee. Any time worked past fifteen (15) minutes shall be compensated at the applicable rate of pay from the end of their regular shift in increments of tenths of an hour.

The employee shall be required to log in and out with the dispatcher on duty. The Employer may require that the employee work the three (3) hours call-in-time. In the event that all available off-duty employees in the bargaining unit are called to fill a vacancy and none of them agrees to work, the employee at the bottom of the roster shall be required to report for duty to fill in the vacancy.

Section 26.7 With the prior approval of the Chief of Police or his designee, employees may be allowed to exchange shifts. Overtime shall not be incurred as the result of such exchange and hours of work shall be calculated as if the affected employees worked their regularly scheduled shifts. Any employee involved in a shift exchange who subsequently calls off work on the work day to be exchanged, shall be responsible for finding a timely replacement. Such replacement shall be considered and recorded as an additional shift exchange and shall not result in an overtime situation.

Section 26.8 At the sole discretion of the Chief of Police, required or approved school or training may be scheduled to replace an employee's regularly scheduled duty hours.

Section 26.9 Whenever an employee is required by the Chief of Police to "stand-by" for immediate call to duty, where the employee is engaged to wait for such call and is unable to leave the
