

EXECUTIVE ORDER 8-31-2023 (3)

Pursuant to the authority granted under Ordinance No. 23-35 AC CMS, it is hereby ordered that there will be the following parking restrictions as outlined below on the following streets:

East College Street (Pleasant Street to Main Street):

- Changing the designation of spaces on the north side to open on-street parking
- No Overnight Parking and other existing restrictions remain

West College Street (Main Street to Professor Street):

- Changing the designation of spaces from two-hour to three-hour parking
- Designating open on-street parking on the northwest portion of the street from College Place to Professor
- No Overnight Parking and other existing restrictions remain

North Main Street (Lorain Street to College Street):

- Changing the designation of all spaces to open on-street parking
- No Overnight Parking and other existing restrictions remain

South Main Street (College Street to Vine Street):

- Changing the designation of spaces from two-hour to three-hour parking from College Street south to the mid-block crosswalk at 39 S. Main Street
- Changing the designation of spaces from two-hour to three-hour parking from the mid-block crossing at 39 S. Main Street to the mid-block crossing at 69 S. Main Street
- Changing the designation of all spaces south of the mid-block crosswalk at 69 S. Main Street to Vine Street to open on-street parking
- No Overnight Parking, short-term parking and other existing restrictions will remain

Signage indicating the restrictions will be placed along the designated streets. Any vehicle in violation of this order may be towed or otherwise removed at the owner's expense. A copy of this Order shall be posted on the City of Oberlin website and referenced on location.
