

Keep Oberlin Beautiful Saturday, May 18, 2024

Lorain County Beautiful Day – a county-wide, litter collection and beautification event to coordinate community volunteer litter and trash collection along roads and parks. **Keep Oberlin Beautiful** is the City’s annual spring litter cleanup, beautification & planting day. This event is one of many events happening across the County and Country as part of **Keep America Beautiful, Great American Cleanup!**

Flower Planting, Clean Up & Compost

One of Oberlin’s most popular **Keep Oberlin Beautiful** activity is the flower planting in City parks, Vine St. bridge and around the *Welcome to Oberlin* signs. Flowers are generously donated by **Green Circle Growers**.

The City will be giving away **leaf compost, wood chips and compost from the Barnes food compost program from 9am-1pm** behind the Wastewater Treatment Facility on St. Rt. 511 East. Compost delivery available by contacting Barnes Nursery at 888-421-8722.

Tire & Styrofoam Drop-Off

We want your **car, bike and motorcycle tires, up to 20” (rim diameter) & #6 Expanded Polystyrene Foam (Styrofoam) – rigid foam only, any color, MUST be clean, dry and free of all labels and tape.** Drop-off at the *Green Acres* site, located between E. College St. & E. Lorain St., entrance off Oberlin Road from 9-Noon.

All residents are encouraged to pick-up litter & plant flowers around your property!

A refuse dumpster will be available in the City Hall parking lot for extra bags of trash.

Questions, email: Recycling@CityofOberlin.com
