

Quick Tips for Recycling Right!

Avoid single-use batteries and the toxic waste they cause; go for rechargeable batteries instead. At their end-life, recycle them at the Lorain County *Collection Center*, 540 Abbe Road in Elyria.

Bausch + Lomb ONE by ONE
Free Recycling Program
Recycle contact lenses and blister packs.

By ditching disposables such as cutlery, plates and cups you will see a noticeable impact on the amount of trash you are producing. From the day-to-day, to hosting special occasions, use reusable as often as you can.

Remember, no Styrofoam or single use plastic items in curbside recycling.

Pick up poop! Reuse plastic grocery bags, zip-lock bags, frozen food bags and used food storage bags for picking up after your pooch on your next walk.
